Sexual Health and harm reduction

Sexual health can be a sensitive and embarrassing subject.

Horizon is for YOU.....

Where can you get tested that isn’t your local GP surgery?

Who can you talk to about a positive diagnosis for HIV or Hepatitis or treatment for an STI?

Where can you get free condoms and lube, including a postal service to keep you supplied?

And for YOU.....

If you are lesbian, gay, bisexual, transgender or questioning, then finding a comfortable ‘zone’ to be yourself can be helpful. Or maybe you have gender concerns or questions and would like to talk to someone who understands.

We can also support victims of hate crime.

No judgement - harm prevention & reduction
Using drugs - including steroids - or engaging in Chemsex? No questions asked - you can get clean needle packs from us - and exchange used needles. We can also offer help and advice if you are using - with no judgement and in complete confidence.

The Horizon team at Dickson Road also has an ISVA service, a professional, confidential advisor to offer one to one support to survivors of sexual violence and rape, and to deal with the after effects of sexual violence. You are most certainly not alone.

All of these services are offered by Horizon at 102 Dickson Road FY1 2BU. Telephone: 01253 311431.

We hope you will come to see us, weekdays 9.00am to 5.00pm (Monday and Tuesday until 8.00pm).

Sexual Health.... harm reduction from drugs and alcohol.... reducing the potential harm from risky sexual activity.... supporting the LGB and T community.... 102 Dickson Road is many things. But above all it is a friendly bunch of specialists who are there to help YOU.

Telephone 01253 311431.
