[Skip to main content](#)

Blackpool Council is committed to supporting people to remain as independent as possible. There are many services and support which are there to help you remain in your own home.

We will complete an [assessment](#) with you to look at what help you may need.

If you are not eligible for council support or want to organise your own support we can provide you with advice, information and Fact Sheets on services and support available to you locally.

We may be able to advise you on services which meet your needs in the community.
