## The New Langdale – Community based daytime activity service

### For adults with a learning disability

The New Langdale Service believes that people who use our service should be given the opportunity to 'be the best that they can be'. Our committed and highly trained qualified team of co-ordinators and progression workers will ensure the activities delivered are enjoyable, stimulating and outcome-based to meet your specific needs.

### Type of support

Areas covered in the activity programme are:

- Leisure and Learning
- Arts, Crafts, Drama and Music
- Community Volunteering
- Nibbles Training café.

For each of the above areas there is a designated co-ordinator and a team of progression workers. In addition we have a Transition Coordinator who will support people when they join the New Langdale and a Pathway coordinator who will support peoples journey to other opportunities.

### Eligibility

The service is for adults with a learning disability. A Social Worker referral will be required to access the New Langdale Service; once the service receives the referral the Day Services Manager will make contact to discuss in more detail.
