Site area

The development is on 2 sites, either side of Seaside Way. Site one is located to the west of Central Drive, south of Rigby Road and north of Blackpool Football Club and site two is in the area to the east of Blundell Street, north of Rigby Road and south of Princess Street.

The area includes the Sands Way, Rigby Road and Blundell Street car parks.

First new homes progressing well

Hollinwood Homes are making good progress with the early phases of development. 126 homes are under construction with the first homes already completed and occupied.

The remediation contract was completed in May 2014 and other substantial enabling works are underway which will help to improve the environment in the area of development.

Early phase construction concentrates on the part of the site closest to Seaside Way with future works radiating out from these points.

70 of the homes are being built for Great Places Housing Group and will be offered to working people with a connection to Blackpool for affordable rent.
