# Arts in Blackpool

Last Modified August 03, 2018

Blackpool arts service provides Blackpool’s residents and visitors with access and participation in a wide range of high quality arts activities, which are delivered in partnership with a range of organisations such as Arts Council England.

We work with all art forms, including music, dance, drama, new media, creative writing, visual and public art.

The arts service has overall responsibility for the Grundy Art Gallery and the council’s collections as well as the contemporary art works that make up the Great Promenade Show on south shore promenade.

We are able to offer advice and assistance to any community group in Blackpool interested in setting up a creative project with an artist or arts organisation.

We can also offer advice to local artists and creative practitioners interested in working with the community or in developing their creative business.
