Library users are able to:

- Access computer/printing and copying facilities
- Browse and borrow items
- Collect pre-ordered books at the door (if you prefer)

For those visiting the library, there will be still some necessary measures in place, including:

- Reduced visitor capacity
- Limited time on library computers (for 1 hour per person per day; in order so that we can manage capacity)
- Use of protective screens at counters and around computer terminals

Wearing face coverings and hand sanitising on entry and exit are not compulsory but will be strongly encouraged.
