

Structural work

Due to urgent building maintenance issues we are unable to allow borrowers into the library for the time being. We will be providing minimal computer access and our 'at the door' select and collect/'Keep Reading' service

To ensure the safety of customers and employees you will be able to:

- Collect pre-ordered books
- Access computer facilities, excluding photocopying and printing

Sadly, whilst we are under national lockdown customers **will not** be allowed into the building to browse or borrow items.

For those using essential IT services, there will be some necessary restrictions and procedures in place, including:

- Reduced visitor capacity
- Limited time on library computers
- Mandatory hand sanitising on entry and exit
- You need to wear face coverings in the library
- Use of protective screens at counters and around computer terminals
- No public toilet access or casual seating

Customers will also be asked to provide contact details to assist with the government's Test and Trace programme.
