e-Books and e-audiobooks

Last Modified March 29, 2021

You can download a wide range of audiobooks and e-books for free with your Blackpool library card.

All that you need is your Blackpool library card and a compatible device with an internet connection.

If you are not already a library member you can [join the library now](#).

You can:

- Download to your PC, Mac or Chromebook
- Transfer to your Apple device, Android device, MP3 player or ebook reader
- **Kindle** - it is not possible to use a Kindle device to download e-books as Amazon does not provide this service to UK public libraries. However, users with Kindle Fire/Fire HD can download audiobooks using the [OverDrive Read system](#)
- Borrow up to 6 books for up to 21 days
- No need to worry about late fees as the books are automatically removed from your device when the loan period expires.
