Road works and road closures

There are currently major roadworks taking place within the town centre. The Town Hall situated in Talbot Square, which is our main office for registering births and deaths and conducting marriage ceremonies in the council chamber, is particularly affected.

- The Town Hall will remain accessible to pedestrians throughout the roadworks
- We are currently discouraging ceremony bookings for the council chamber due to the potential noise disturbance, but if you would like to discuss a possible ceremony, please speak to our ceremonies team on 01253 477177.
- Read the up-to-date information regarding Blackpool’s road closures.

Helpful information

- Please note that registering births, deaths, stillbirths, birth re-registrations and giving the legal preliminaries to form a marriage or civil partnership are strictly by appointment only.
- Please ensure you arrive on time for your appointment otherwise the registrar may not be able to see you.
- Most appointments last for 30 minutes, however a double notice appointment may take from 40 minutes to one hour.
- You can book your birth or death appointment online below.
- Please phone us to book a stillbirth appointment, a birth re-registration or to book the legal preliminaries (give notice) to form a marriage or civil partnership. Our phone number is 01253 477177.

Book An Appointment

If the online service offers an appointment more than 5 days after the date of death, please ring us instead to ensure an earlier appointment. There is no charge for registering a birth or death however a certified copy of the birth or death entry is currently £11 at the time of registration and afterwards. (Different fees then apply for obtaining certificates based on speed of production and postage options required).

We also:
