Getting married at one of the UK's most unique ceremony venues, The Wedding Chapel Blackpool, offers an unique experience like no other; there is nowhere on earth quite like it. Located in Lancashire on Blackpool's famous promenade.

This architecturally stunning building is beautiful both inside and out, and will provide the perfect ocean backdrop for your big day, large or small, day or evening.

Set on Blackpool's seafront, it is the first of its kind this century and the only building on the seaward side of the promenade where couples can get married by the beach.

Our team of highly professional ceremonies officers are on hand to support and guide you through the process step by step. Your ceremony is important to us and we want to make it special for you.

Here are a few features of our unique venue that can make your big day extra special:

- A private balcony to create a perfect romantic photo backdrop where you can admire a 270° view overlooking glorious beaches, miles of sea and sand alongside the famous Blackpool Tower, Comedy Carpet and Promenade
- An amazing Tower View room for larger ceremonies. It has a magnificent large window looking out towards the iconic Blackpool Tower.
- As part of our premium package, the Tower View room can be decorated at the special price of only £50. This includes an illuminated 'LOVE' sign, floral centrepiece and two matching pedestals which will complement any ceremony beautifully
- Live streaming of your ceremony in the Tower View Room where friends and relatives from anywhere in the world can watch you exchange your vows see details below
- A Sea View room which caters for those looking for an intimate ceremony accommodating up to 10 guests (this room **cannot be used until further notice**).
