Applying for a residents permit

You will need to provide:

- Proof of residence within a residents area
- 2 forms of identification, one of which **must** be your Vehicle Registration document (V5)
- Choose the other document from the acceptable forms of identification list below

Please allow 10 working days for the processing and posting of your permit. If the permit is urgent, please display a note on your vehicle windscreen containing the following information, the reference number supplied at the end of the transaction and the date of application .

Applying for a visitors permit

2 forms of identification are required for a visitor permit. Choose from the list below:

- Council tax bill
- Utility bill - dated within the last 6 months
- Tenancy agreement for the property

Please allow 10 working days for the processing and posting of your permit. If the permit is urgent, please display a note on your vehicle windscreen containing the following information, the reference number supplied at the end of the transaction and the date of application .

Important notes

- Purchasing a resident's parking permit for the scheme you live in doesn't guarantee you a parking space, nor does it reserve a bay for your use only outside your property
- For your own safety and security we recommend you only send copies of important documents as we cannot be held responsible should they fail to be delivered either to our office or your address
- If you are hand delivering photocopied documents to the customer first centre please ensure you place them in an envelope marked **parking services**

Changing your vehicle

If you change your vehicle or your registration number you can apply for a replacement permit.

Your first replacement in a 12 month period will be issued free of charge. Additional changes after this will be charged at £12.50 per change.

Copy all the details from your current permit onto a note to display in your vehicle.

Add the message "returned for change of registration number" along with the reference number you receive at the end of the application process, and the date you applied.

Please return the permit to us with a copy of the documents if you are unable to attach them to the online form.
