Adopted highways

Last Modified October 17, 2019

The adopted highway refers to any road/footway that is maintained at public expense by Blackpool Council

These will be maintained at the set standards and receive regular maintenance and safety inspections.

Responsibility for a street

Adoption process

For a road to be adopted as part of the highway network:

- An existing private road is brought up to the local authorities standards and has been accepted under a section 38 agreement
- A new road has been constructed by a developer to the standards required for the highway to be adopted
