Conference facilities

Last Modified March 12, 2020

The Solaris Centre offers a choice of three conference rooms each ideal for training sessions, staff briefings, interviews and more. Our reception staff are onsite throughout the day to ensure your meeting runs as smoothly as possible, if it's some last minuet photocopying or getting set up with IT equipment we're here to help.

Our rooms can be set up to suit your conference requirements. Boardroom, classroom and theatre layouts are most common but if you need something different such as open floor space for group work we can fold the tables away or remove them completely if needed.

We have a large display screen in each room ready to connect your laptop or tablet via HDMI or VGA. Our rooms also have access to the free Wireless Blackpool network so you can connect online whenever you need. A flip chart, pad and pens are also provided in each of our rooms at no extra cost.

[Catering](#) can be ordered for your meeting with options ranging from tea and coffee to a full corporate buffet served in the room. If you would like a copy of our corporate Menu please email solaris.centre@blackpool.go.uk

Location

We are situated on Blackpool's New South Promenade directly opposite one of the worlds largest glitterballs.

Access to the M55 motorway is just a few junctions away and the Blackpool South rail line stops a few minuets walk away at the Pleasure Beach station.

The centre is also well served by public transport routes including the No.1 bus and tram service, both stopping right outside the building.

We have a small car park on site with additional free parking on the side streets surrounding the building as well as pay and display parking on the promenade.

Cycle racks are provided at the front and rear of the building and the centre is fully wheelchair accessible with no steps and an automatic door at the front of the building.

If you would like any further information on our rooms or would like to check availability please contact us at solaris.centre@blackpool.gov.uk or telephone 01253 478020.

Look out for the mirrorball
