Subject: Updated Appendix 4 of HRA

Tony,

Further to my response to Matter 5, Question 5.5 (Para 5.5.4), I have now amended Appendix 4 of the Habitats Regulation Assessment as suggested by Natural England in their email dated 22/04/15 (Appended to the Council's Matter 1 hearing statement). Please find attached 2 copies - a track change version showing my amendments and a final copy.
