

Email 200921 from Programme Officer to representors re MIQs etc

**From:** Tony Blackburn <[Tony.Blackburn@blackpool.gov.uk](mailto:Tony.Blackburn@blackpool.gov.uk)>

**Sent:** Monday, September 20, 2021 10:29 AM

**Subject:** Fw: Blackpool Local Plan Part 2 Examination

This note is being sent to all Publication stage representors regarding the Blackpool Local Plan Part 2 (Site Allocations and Development Management Policies) and provides the following documents:

1. The Inspector's Matters Issues and Questions ('MIQs')
2. Guidance Notes relating to the above and the series of hearings scheduled to commence online via MS Teams on Monday 6 December
3. Examination hearing programme for the above
4. A list of representors and representor numbers

I will be providing further information to intending participants regarding the hearings in due course, and these details will also become available via the Examination webpage which you are asked to view periodically for latest updates:

[Blackpool Council planning | Local plan part 2 examination](#)

The above page also provides access to a comprehensive range of further information including the content of your original representations.

Please would you view the documents accompanying this communication as soon as possible as these set out particular requirements and key dates for those wishing to participate or submit further material. It is not my intention to summarise these documents but I would nevertheless ask you to note in particular:

1. The deadline of 1 November to advise me if you wish to participate at the hearings (see in particular Guidance Note point 13) and which individual will be attending
2. The same deadline of 1 November for responses to the Inspector's MIQs – paper copies are not required unless you have difficulty in sending electronically
3. That your MIQ response should identify to which MIQ it relates; this should have some direct relevance to your earlier representation.

Regarding the hearings, I anticipate sending an updated programme to intending participants in good time prior to the hearings. Other interested parties not included in that circulation are advised to view the webpage above for any late changes to timetable and/or new information.

In addition to those who wish to participate virtually in discussion at the hearings, the event will be open to observers in the same way. I will be providing suitable guidance on this

Email 200921 from Programme Officer to representors re MIQs etc

process in due course but if you plan to observe in this manner a brief note would be appreciated to assist my preparations.

You are welcome to contact me if I need to elaborate upon any of the above or if I can be of further assistance. If someone else is now dealing with this matter on your behalf please would you forward on this email accordingly and also let me have a note of new contact details.

Thank you.

Tony
