

Blackpool Community Sports Council

Blackpool Community Sports Council has produced this sports club directory with support from Blackpool Council and the sports clubs across the town.

The Sports Council is one of the oldest sports councils in the North West. It has a long and proud history of supporting and developing sport in Blackpool. The Sports Council is the overarching group for community sport in the town and its vision is to promote and develop high quality sporting opportunities for the Blackpool sporting community, the council also has a number of specific aims linked to its vision:

To increase the skills and knowledge of sports volunteers in Blackpool;

To promote and reward sporting success by athletes, teams and volunteers in Blackpool;
--

To encourage community sports clubs in Blackpool to be safe, well organised and child friendly;

To contribute towards increasing the number of people who are physically active in Blackpool;

To play a key role in the co-ordination of sports events in Blackpool;
--

To support the development of elite athletes in the town.

Club mark Accreditation.

Club mark is the national cross sports quality accreditation scheme for clubs with junior sections. It is built around a set of core criteria which ensure that accredited clubs operate to a set of consistent, accepted and adopted minimum operating standards.

Charter Standard, Club First and Golf Mark as well as other equivalents are similar to Clubmark but are just particular to one sport. Highlighted within the directory are clubs who have received club mark accreditation from their respective National Governing Body.
