Blackpool Council offers a textile recycling collection alongside your fortnightly recycling bin collections. The income generated is shared between local charities and also helps support the running of the service.

- Textile recycling is only available in bin recycling areas
- Place your textile sack out with your recycling containers on your collection day
- A different vehicle collects your textile sack from your recycling containers
- The textile collection vehicle operates between 8.00am and 5.00pm
- We will only collect textiles presented in Blackpool Council textile sacks or in bags with a "Textiles for Blackpool Council" note attached

## Items accepted

The following items can be recycled in your textile sack;

- Clothes
- Belts
