Have your say

Last Modified July 24, 2020

Thank you for having your say!

We want to create a more attractive place to live, with a thriving economy, leading to more jobs for local people.

We asked how you would improve Blackpool? If you had an opportunity to change things, what would you do?

- Cleaner, brighter and greener streets?
- New housing?
- More job opportunities?
- Better transport?
- New shops and restaurants?
- A wider range of things to do?

Your response was fantastic so thank you for taking a few moments out of your day to complete the online survey.

The survey site is now closed and we are now using all your comments to shape the plans for Blackpool and to secure much needed investment for our town. You can still read about the proposals and [sign up to the newsletter for future updates](#).
