Open consultations

Last Modified October 07, 2019

[Skip to main content](#)

Blackpool Council consults with its residents and service users through regular surveys and consultations.

Surveys play an important role in helping the council to understand what people think about local services - what's working and what isn't.

Surveys also provide valuable data about how local services are seen to change over time, including people's preferences and expectations.

Current consultations

Childcare

Blackpool Council are seeking your view on the local childcare market.
