Payments over £250

Last Modified November 25, 2019

[Skip to main content](#)  

We are helping the public to understand more about our spending by publishing details of payments over £250.

All invoices or spend on purchasing cards over £250 is also published detailing the name of the supplier, amount of spend and date the invoice was paid.

The information also includes details of the service that authorised the spend.

The monthly reports are published in the following formats:

- CSV to allow the manipulation of information
- XML to allow the manipulation of the data but with the structure in place (From December 2013)

Where payments relate to vulnerable people, such as payments to foster carers the name of the supplier has been replaced with the words "Redacted Personal Data" in line with the Data Protection Act.
